To

The Secretary to Government,

Local and Legislative Departments,

BANGALORE.

Sir,

I am directed by the Central Council of the Catholic Association of Mysore to submit herewith a copy of the Rules of the Association, together with an application for recognition under Rule 2 of the Rules published in Government Notification No.P.2395 Legis.- 12-23-2, dated the 7th November 1923

2. I am to explain that the Association was formed only on the 7th instant and that the number of members shown in the application does not furnish a true index of its scope or influence. Applications for membership are rapidly coming in and it is confidently expected that in the course of a few days, a substantial number of members will have been enrolled. Steps have also been taken to establish Branches in other Catholic centres in Mysore; one Branch has already been formed at Shimoga and others are being organized in other towns.

3. The Central Council will submit to Government in a week or two, a further report on the progress of the Association; in the meanwhile, the Council earnestly hopes that the privilege of recognition will kindly be accorded to it.

I have the honour to be,

Sir,

Your most obedient servant,

Sir,

With reference to Government Notification No.1960/82 of the 16th instant, I am directed to submit herewith lists of members of this Association (including its Branches) who are eligible to vote and are not subject to any of the disqualifications specified in the election rules.

It is regretted that in the case of some of the Branches detailed addresses cannot be furnished in all cases, as these have not been intimated by the local Committees. But if Government desire, such addresses will be called for and intimated to Government.

I am to say that applications for membership are still being received both at Bangalore and at the Branches, while new Branches are still in course of formation. In another month the number of members is therefore expected to be very much larger than at present.

As already stated in my application for recognition registration under the Societies Registration Regulation was applied for on the 9th instant. The Registrar of Joint Stock Companies has promised to grant the same, subject to an amendment of Rule 2 which was indicated by him. That amendment has since been formally sanctioned and the Registrar informed. A copy of the amended rule is enclosed for the information of Government
